## **Tool for Developing a Vision - Individual**

Forming a vision and beginning to plan for the future in each of the life domains helps plot a trajectory for a full, inclusive, quality life in the community. This tool is to help individuals with disabilities of all ages think about a specific vision in each life domain for how they want to live their adult life, and prioritize what they want to work on right now that will help move toward the life vision.

work on right now that will help move toward the me vision.
